Please be aware:

The information on the following sheets represents a preliminary survey of this collection. It may well be incomplete, inaccurate, or otherwise out-of-date. This collection may also be, in part or in whole, restricted against access for reason of privacy or other legal issues. This listing is provided to help researchers find potential sources, and to help MASC track unprocessed materials internally. It is strongly suggested that you contact us directly before making any sort of lengthy trip to MASC to view these.

Due to the nature of the presentation of each guide, it is possible the origin and location of this collection may be unclear from this page. If you need to identify the source but are unable to do so, look for the filename (minus the suffix – e.g. if you’re looking at ua1996-04.pdf, then search for ua1996-04) within the following page:

Physical Plant Asbestos Exposure Records (UA2011-15)

Materials in this accession have a 70 year retention period.

Box 1

- Record for abatement projects in 1988 in bldg (mostly financial documentation)
  - East fairway housing Demolition
  - Fine arts
  - Food science and human nutrition construction site
  - Food services bldg addition
  - WSU physical plant
  - Hillcrest apt.’s
  - Administration building
  - Bohler gym
  - Campus
  - Carpenter hall
  - French administration
  - Murrow
  - McCoy
  - ME Research
  - New alumni center
  - Power plant
  - Puyallup
